

FIND-A-CLUB

USA Swimming will be introducing this feature soon. This will be used by potential members, members wanting to transfer to a different team, or members looking for a club to swim while on vacation or temporary relocation. Clubs will not be part of the Find-A Club automatically, information must be provided to me. In 2010 participation will be mandatory; you will not be able to renew your club membership if this information has not been furnished to me.

This form will be sent to the Point Of Contacts that you designated when you filled out your 2008/2009 club form. You may choose any person to be the Find-A Club Contact. The Find-A-Club Contact's information will appear on the Find-A-Club page of USA Swimming's Web site. The information concerning Find-A-Club is not on the USA Web site right now.

I will mail out the forms within the week. I would appreciate it, if you would fill the forms out and return them to me at your earliest convenience. This way I can have all the information posted before you are ready to renew your membership.

Thanks for your assistance in this matter.
