

## Short Course Zones Report 09

The 09 age group zones for short course were held in Rochester, New York. 87 swimmers attended. We had 13 chaperones, 8 coaches and 1 team manager on the trip. 1 coach chose to leave Zone competition last day. He did not notify head coach or team manager that he was leaving. He did not show up for breakfast and slipped his coaching packet under another coach's door that he had asked to "coach his boys" the last day. He notified the Age group chair in Va via email.

Virginia Swimming placed 2<sup>nd</sup> in the overall team scores. Our rivals, Potomac Valley were 1<sup>st</sup> (28 pt difference) Top scorers of the meet were Remedy Rule from SMAC and Evan Knicely (SQST). Swimmers were very pleased with the new wind suites for this trip. All bags owed from last summers have been handed to swimmers or mailed. All uniform items have been dispersed.

Presently, I am awaiting to make plans for Summer Zones 09. Unsure at this time if I will be able to travel with the team for summers zones.

Caycee Buscaglia  
Zone Team Manager
