

## **Club Development Report**

- **Virginia hosted the Club Leadership and Business Management Seminar on February 9<sup>th</sup> of last month. We had around 18 people attend including one from Massachusetts. All required teams from Virginia were in attendance. I have heard nothing but good things coming out of the seminar.**
- **Virginia will be hosting it's annual symposium on October 4<sup>th</sup>, 2008. This year we will be hosting with Potomac Valley and Maryland. I have sent out an email to many committees of Virginia for their feedback as to how to make this event successful for all areas of Virginia Swimming. I have also begun to make contact with Paris Jacobs from Potomac Valley and Mary Illich from USA Swimming to get the ball rolling on this event. I plan to be able to have a basic report as to what events we will have for the symposium by the April 27 House of Delegates meeting.**
