

Registration Report
Board of Directors Conference Call
1/6/10

1) 2011 Registrations thru 1/3/11:

Athletes:	5243
Non-Athletes:	648
Clubs:	42

2) Background Checks (CBC): Updated cards along with a letter explaining the various deadlines have been sent to all non-athlete members registered for 2011. Members will be able to initiate a CBC beginning Jan. 10. The link to the website to be used for the CBC will be active on that date. I will send the link to Michael for posting on the website. If at all possible, I would like for the link to be the very prominent on the homepage. Question: If USA-S does not send an email to all non-athletes, do you want me to do so?

3) Swimposium & Banquet: Both will be held at the Koger Center on the weekend of Oct. 1 & 2. We need to determine the schedule for the weekend so I can arrange for the correct number of meeting rooms. For the Swimposium on Saturday I currently have 3 or 4 rooms depending on the size of each group as well as the room for lunch. On Sunday I have reserved a large room for the Board and HOD meeting as well as a small room for the Athlete's meeting.

Questions:

- a. Will we schedule committee meetings on Saturday afternoon as we did this year? (This year we receive funding from USA-S so there may be some things we want to do at that time.)
- b. Any ideas for topics? (Do we want to have some type session that would fulfill the education requirement for non-athletes?)
- c. Should I make arrangements for breakfast for the athletes meeting?

Also, Brian K. has talked with David Walters about serving as our clinician on Saturday and banquet speaker on Sunday. Should we go ahead and make arrangements for him to serve in that capacity?
