“Pain is weakness leaving the body.
It is never a question of how much more
You can take, but how much more you can give.
Just when you’re ready to quit, your mind says
Push harder, you listen. Sensing an inner strength
That wasn’t there before, and suddenly, you discover,
You no longer feel the pain. Now you have succeeded.”
- U.S. Marines

*“Every morning when the sun comes up
a fish wakes up knowing that it must swim faster
than the fastest shark or it will be eaten and die.

Every morning when the sun comes up a shark wakes up
knowing that it must swim faster than the slowest fish or
it will starve to death.

The moral of the story is, when the sun comes up, you
better be swimming fast!”
