

Parking for SC Senior Champs 2013

Parking is available at the facility. Please park in the pool lot. There is a soccer tournament in the adjacent fields and the parking for those fields is off limits to swimmers. If there is the need for additional parking, room is available at the Martin's grocery store directly behind the facility and within easy walking distance to the pool. Please do not park in the Day Care next to the facility. Street parking is available, but only on the pool side.

Parking attendants will be on site to assist you.

Swimmers may be dropped at the front door – only entrance to the pool.
