

2013-2014 SW District New Officials Orientation Clinic

Becoming a member of the officiating team is a great way to get involved in the sport your children love and they will love seeing you at poolside supporting their efforts. Training will include an introduction and overview of USA Swimming officiating, explanation of the VSI officials training, and the process of certification.

We will hold a combination clinic for Stroke & Turn Judge (where you start on the "wet deck") and Dry Deck (Timing Equipment Operator, Timing Judge, Recorder)

Mark your calendars for:
