

# NEW OFFICIALS GUIDE FOR ONLINE SERVICES

2014  
**Virginia Swimming**

Thank you for wanting to become an official with Virginia Swimming. This document is meant to help you with the administrative process of getting registered.

It is divided into 5 sections

- **Registration**
- **Setting up your US Swimming Account**
- **Online Testing**
- **Level II Background Check**
- **Athlete Protection Course**
- **Stroke and Turn.com**

Any suggestions that you believe would improve this document, please send them to [officialschair@virginiawimming.org](mailto:officialschair@virginiawimming.org)

# Registration-

Every official must complete and submit the Non-Athlete Registration Form. It is found on the [Virginia Swimming Web-site](http://www.virginiawimming.org) in the columns on the left hand side of the page under Registration. You can also pay for the registration using the Payment Center section on the web. **REMINDER:** Talk to your Team Official Chair to see if your team pays this differently.

## Non-Athlete Registration

Anyone who doesn't compete registers as a Non-Athlete. Members of the LSC's Board of Directors, Delegates to the LSC's House of Delegates, and Officials must register annually with the LSC and USA Swimming.

# Online Testing

When you are ready to take your online test.

Simply go to the main page on the USA Swimming website—Under MEMBER RESOURCES—click Testing and Certification

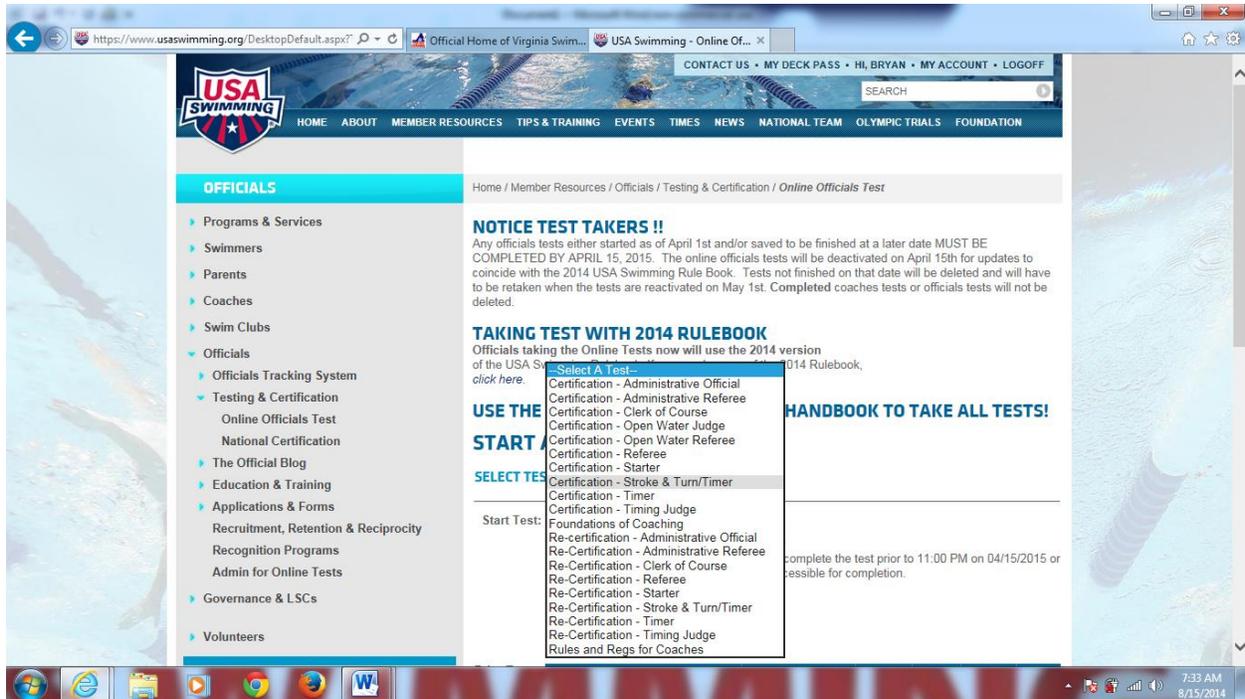

\*\*\*\*\*Select the CHOOSE A TEST TO START\*\*\*\*\*

Then just pick which test you want to take.

You can print the test and complete it then go back online and take it. Please note, the questions will be renumbered and the potential answers won't be in the same order

You will need a current copy of the USA-S Rulebook. Click the below link for a PDF version.

## Level II Back-Ground Check

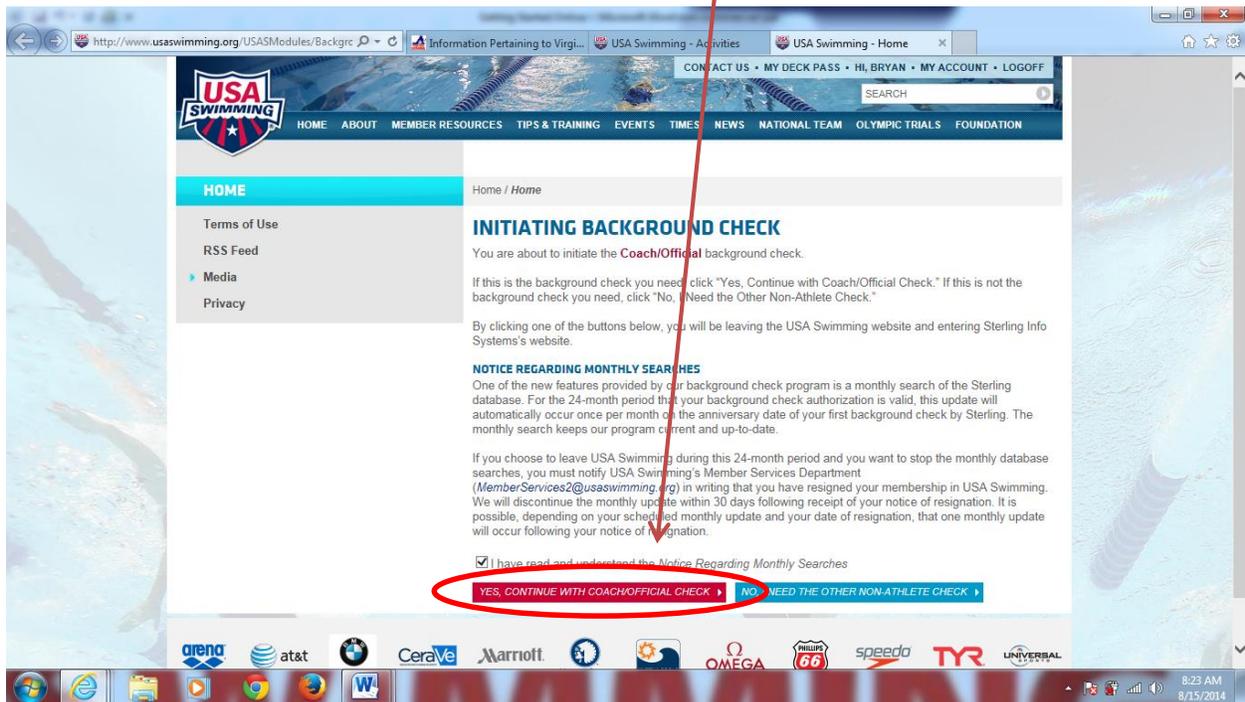

Each Official is required to take a LEVEL II Background Check.

Depending on how often you've moved or the townships you may have lived in, this could take anywhere from 24 hours to 4 days.

Like the registration, please contact your Team Chair and see what your team's policy is on reimbursement for this cost.

**\*\*THE BELOW CAPTION HAS AN EMBEDDED LINK TO THE REFERENCED SECTION ON THE WEBSITE**

Then click the YES, CONTINUE WITH COACH/OFFICIAL CHECK and remember it's a Level II for officials and coaches

# Athlete Protection Training Course

- 1- Unlike the Background Check, you must be registered with US Swimming before taking this course.
2. Click on the button/link that says “Take Athlete Protection Training Course”.
3. Enter your first name, last name, and birthday. Make sure to use your legal name. Then click the “Locate APT Info” button.
4. If you get a “No Results Found” message, one of three things has happened.
  - a. You typed something incorrectly, so double check your entries, or
  - b. If everything is correct, there may be a typo in your name or birthday in USA Swimming’s database. If you think you are in this category, contact Virginia Swimming.
5. When the system finds you, click the “This is me” link. If there are multiple results displayed, make sure you pick yourself. This is not likely to happen, but it might.
6. The system will refresh, bringing back information about you. Check the information displayed, and if it NOT you, click the “This Is Not Me” button, otherwise click the “Athlete Protection Training Course” button.
7. You will be taken to a page that displays a warning about not completing the Athlete Protection Training. After reviewing this page click the “Yes, Continue with Athlete Protection Training”

The screenshot shows a web browser window with the URL <http://www.usaswimming.org/DesktopDefault.aspx?T>. The page title is "USA Swimming - Athlete Pr...". The left sidebar contains a navigation menu with categories like "Safe Sport", "Training & Education", "Awards & Recognition", "Swim Camps", "Newsletters & Magazines", "Sports Medicine", "Insurance & Risk Management", "Diversity & Inclusion", "Swimmers", "Parents", "Coaches", "Swim Clubs", "Officials", and "Governance & LSCs". The "Athlete Protection Training Course" link is highlighted in red. The main content area includes a "Please note" section, instructions to complete the course, a "Printable Instructions" link, and a list of troubleshooting steps for "No Results Found" messages. Below this is the "INITIATE ATHLETE PROTECTION TRAINING COURSE" form with fields for "First Name", "Last Name", and "Date of Birth", and a "LOCATE APT INFO" button. A "TROUBLE SHOOTING" section is also visible at the bottom.

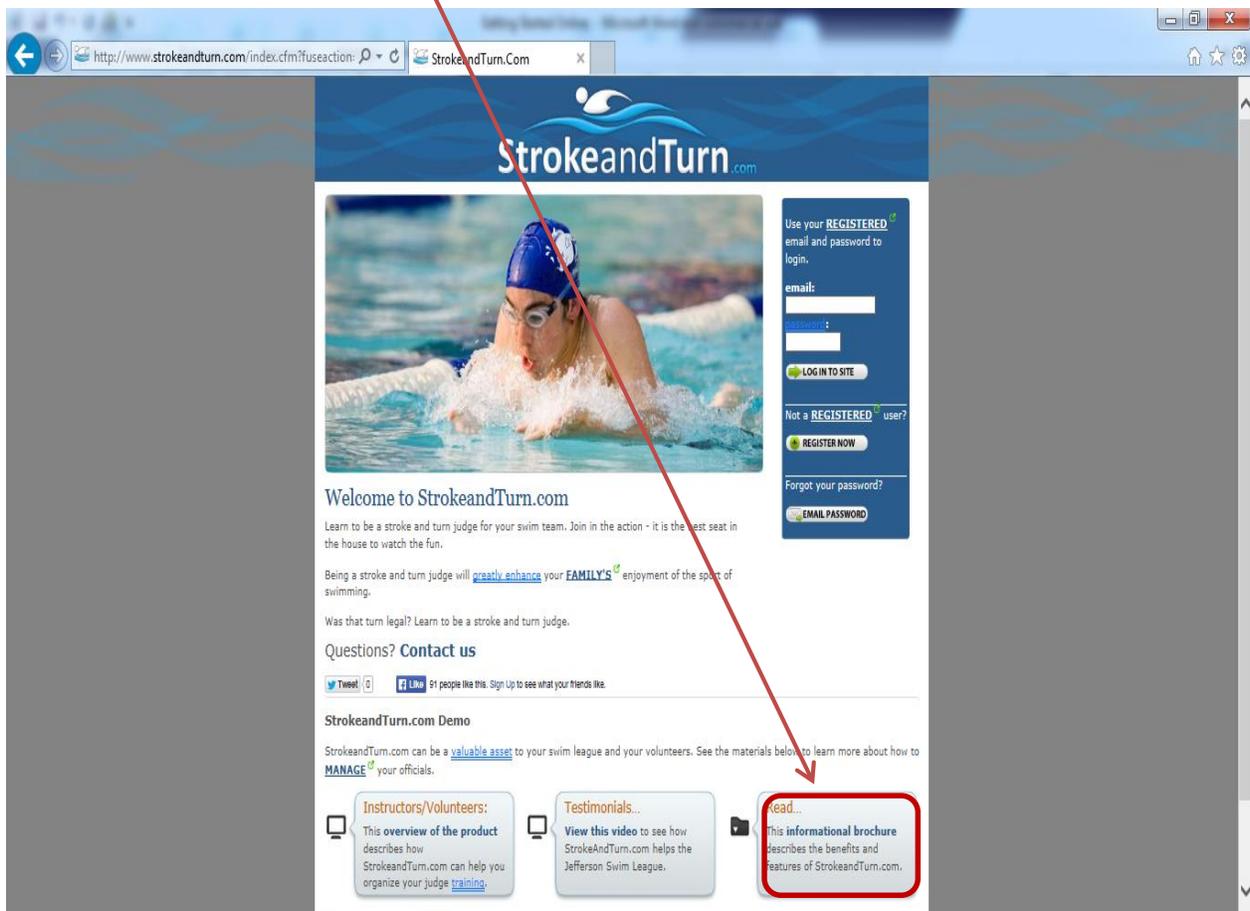

# Stroke and Turn.com

Along with the LSC orientation clinic you've taken there is a stroke and turn practicum you must also take.

You may choose one of the following three options:

- 1> Stroke and Turn video that accompanies the orientation clinic.
- 2> On Deck instruction that may be given at meets.
- 3> Stroke and Turn.com- Online

If you've chosen the Online component. After you click the below caption. Then read the information brochure which will help you get started.

The screenshot shows the homepage of StrokeandTurn.com. At the top, there is a navigation bar with the site's logo. Below the logo is a large image of a swimmer in a blue cap and goggles. To the right of the image is a login and registration sidebar. The main content area features a welcome message, a description of the site's purpose, and a 'Contact us' link. At the bottom, there is a 'StrokeandTurn.com Demo' section with three links: 'Instructors/Volunteers:', 'Testimonials...', and 'Read...'. The 'Read...' link is highlighted with a red box, and a red arrow points from the text above to it.
